Sonja,

Great news. [REDACTED] did plea today, so you no longer have to worry about that case on the 10th and Bosse can have you all to himself (sorry about that).

Thanks again.

Joe

As always, you are a savior. I will make sure the summons gets out today. I did speak to defense counsel yesterday and he expects to tender a plea. So despite my desperation, I do think it will work out prior to trial. I will let you know either way.

Thanks again.

Joe

Believe it or not, but the only thing I have scheduled for on May 10th is district court case in Pittsfield with ADA Bosse (Comm. v [REDACTED]), so there should be no problem for me to be available for you as well.

Hi Sonja,

I have a case coming up for trial [REDACTED] that you should have been, but were not summonsed. Trial is on for 5/10 in Pittsfield. Any chance you are available?

Thanks and sorry.

Joe
